

2011 Ski Swap

November 5th and 6th

Dear Mighty Mite Parents:

The Annual UAA and ASC Ski Swap at West High will be held the weekend of November 5-6, 2011 at West High School. This is a GREAT opportunity to buy and sell new and used ski equipment at great prices. You can find good deals on both alpine and nordic equipment, as well as telemark gear and snowboarding equipment.

Sell: The swap only works if there are people willing to sell their old equipment. This includes: Skis, boots, poles, helmets, and ski suits, for both Nordic and Downhill. You can drop off your equipment anytime Saturday between 9am-1pm. You set the sales price, but folks at the Alyeska Ski Club can help you with that if you are unsure. The Ski Club keeps 25% of the purchase price as part of its fundraiser. All proceeds go to ASC and their programs.

Buy: Doors open on Saturday 11/5 from Noon – 5pm, it's a one day swap. You can buy with cash, check or charge.

Pick up: You can pick up unsold merchandise as well as a check for any items you did sell on Sunday 11/6 from 9am-12:30pm.
